

THE SNORRI PROGRAM

Your Family Tree

Please fill out the chart below with the following information for your family members – parents, grandparents, great-grandparents, and great-great-grandparents:

- full name
- date of birth (DOB)
- place of birth, if known

If applicable and known, please add:

- date of death (DOD)
- place of death

PLEASE NOTE: To help avoid confusion due to different ways of writing dates in the US, Canada, and Iceland, please write all dates in the following format: DAY – MONTH – YEAR. Write the day and year in numerals and use a three-letter abbreviation in all caps for the month. Example: 26 JUN 1975. See bottom of this form for a list of month abbreviations if needed.

Indicate your emigrating ancestors (highlight/bold, circle, or make a note). Note that if you only have Icelandic heritage on one side, there's no need to fill in information for the non-Icelandic side of the family further back than your parent. We realize not everyone will have ALL of this information readily available. **Please just fill out as much as you can and be as precise as possible.**

Note: If you are married, please provide your spouse's full name, DOB, and place of birth as well.
